The glass house has been recently constructed at Northern Railway Eco Park which is lying unused. Lot of demand is coming for booking of glass house by the members and PSUs. Management Committee has decided that the glass house should not be booked for normal functions and since it is a golf club, there is chances of getting hit/injured by golf ball. Therefore, booking at all if required, should be done after 7 PM in the evening till 10.30 PM. In rare cases with the permission of the Management Committee, the glass house may be permitted for

booking during the lunch time. The charges of booking of the glass house shall be as under:

**For Members of NORECO**

Rs.5000/- per function

**For Railway PSUs**

Rs.15,000/- per function.

The number of guests shall be limited to a maximum of 50 persons and since the parking facility is not available inside the club, therefore, parking for only about 10 cars may be permitted inside the Club and Chauffeur driven car shall be parked outside the Eco Park. Other functions like birthday, kitty party should be strictly discouraged and should not be permitted in the glass house.
